GraduIT Services

The smart approach to graduate recruitment, retention and development

Our Workforce Solution division specializes in workforce-as-a-solution services, allowing clients the flexibility to augment their team with a specialized workforce.

To enable future success, corporations must adapt to the latest cohort of graduates, including measuring and managing the expectations of most informed, educated, socially-connected and digitally-native generation yet.

Our graduate-as-a-service solution, GradulT Services, is changing how forward-thinking companies approach the challenge of graduate recruitment, giving employers the flexibility and opportunity to make better-informed decisions, resulting in a better return on investment.

With our GradulT Services, organizations can gain clarity with regards to targeting, attracting, screening, developing or monitoring graduate employees. We take over all the employment liability obligations, providing you with all the benefits of a graduate who has been assessed to an exacting standard and is ready to contribute to the future of your organization.

Do you need help with the following?

- Data
- Digital transformation
- Security
- Infrastructure
- Project solutions
- Business transformation

Explore the potential of GradulT

We look at graduates who'll provide a fresh perspective and add real value to your business – assessing and only choosing those with the best potential fit and who can demonstrate the best ability to learn and grow.

Harness the power of our GradulT Services

If you're looking to nurture the next generation of ICT talent for your organization, our GradulT Services will provide you with all the benefits without the onerous overheads, including succession planning for your technology and business operations.

About Workforce Solutions, formerly Viiew, and NTT Ltd.

Workforce Solutions is a division in the Australia and New Zealand region of NTT Ltd. and includes the former Viiew as part of its broader expertise and capabilities. The Workforce Solution division specializes in workforce-as-a-solution services, allowing clients the flexibility to augment or strengthen their team with a specialized workforce who offer deep experience and expertise in digital, data, security, infrastructure, project solutions and business transformation. Our highly-experienced and skilled teams are supported by extensive training and enablement, ongoing technical assessments and our global network as part of NTT Ltd. All team members of Workforce Solutions are selected for the depth of their knowledge and experience in their particular field, as well as their professionalism and ability to integrate into our client's workplace environment. To ensure the best match, we encourage clients to be involved in selecting their Workforce Solutions consultants.

NTT Ltd. is a leading, global technology services provider. We work with organizations around the world to achieve business outcomes through intelligent technology solutions. For us, intelligent means data driven, connected, digital and secure. Our global assets and integrated ICT stack capabilities provide unique offerings in cloud-enabling networking, hybrid cloud, data centers, digital transformation, client experience, workplace and cybersecurity. As a global ICT provider, we employ more than 40,000 people in a diverse and dynamic workplace that spans 57 countries, trading in 73 countries and delivering services in over 200 countries and regions. Together we enable the connected future.
